Glass Reader with DND/MUR Status Display for Room Controller

HRC3000 SKYLINE BRILLIANCE ACCESS READER

Online offline reader with contactless MIFARE reader for access to the hotel room. This reader is part of the Skyline Brilliance series and consists of a glass panel that displays the reading area, the room number as well as status displays for DND and MUR. A touch field for ringing is available as an option.

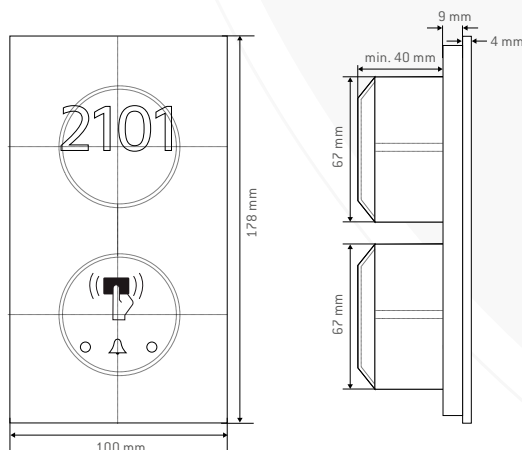

The standard reader is supplied in black. However, we provide a selection of RAL colours for the colour design of the glass panel. The mounting frame behind the glass panel is available in black and white.

Note: The access reader is operated together with an HDC15-V3 Room Controller.

▼ ACCESSORIES AND OPTIONS

MH9200	HDC15-V3 Room Controller
MH8772	Built-in power supply unit 24 W
MH8773	Built-in power supply unit 54 W
